Assignment for SEO Manager at PriceLabs

Task 1: Keyword Research: Share the top 5

Business keywords: Top 5 are variants of Pricelabs Brand Keyword. So, I have highlighted the ones that are relevant to pick as top 5 keywords from the list.

1. Pricelabs
2. Price labs
3. Pricelab/Price lab
4. Pricelabs airbnb
5. Pricelabs pricing
6. Pricelabs cost
7. Pricelabs market dashboard
8. Pricelabs customer service number

Non-business keywords: Here again, one article titled 15 Airbnb Hosting Tips To Make Your Listing Successful is getting the most traction for similar keyword variants. So, I have highlighted the ones that are relevant to pick as top 5 keywords from the list.

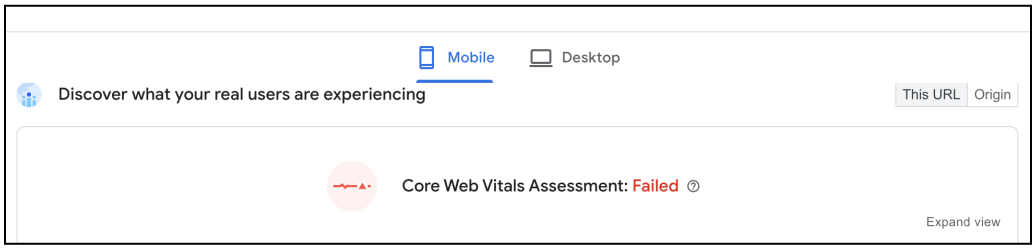

1. Airbnb hosting tips
2. Airbnb host tips
3. Airbnb listing tips
4. Tips for airbnb hosts
5. Dynamic pricing tool
6. Vacation rental pricing tool
7. Airbnb description generator

Task 2. On-page optimization

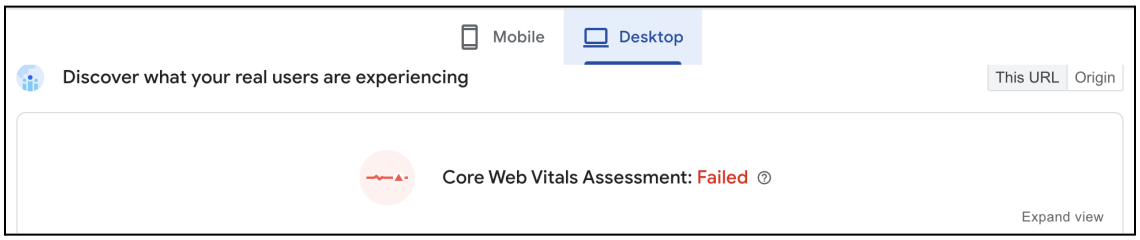

Mention technical and content changes you'd like to make on our homepage. Use track changes to ease the evaluation of the suggested changes. Mention the number of times a keyword needs to be present, primary and secondary.

Technical Issues:

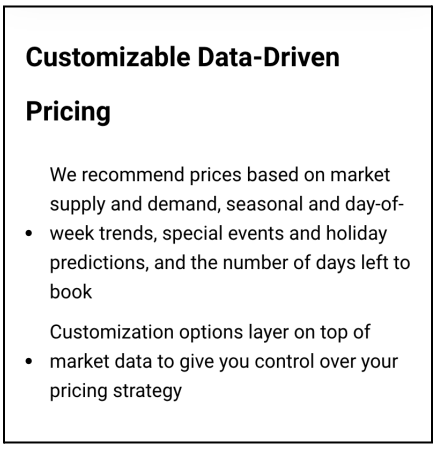

1. Core web vitals - Mobile - Code Improvements

2. Core web vitals - Desktop - Code Improvements

3. Mobile friendly design issues - Bullets placement can be better

4. **Meta Title(50 to 60 characters limit):**
   Existing: Revenue Management and dynamic pricing tools for rentals
   Proposed: Rental Revenue Management Software and Dynamic Pricing Tool

5. **Meta Description:(155-160 characters limit)**
   Existing: PriceLabs is a dynamic pricing tool and revenue management platform for Airbnb, Vrbo, short-term & vacation rental owners, and property managers.
   Proposed: Optimize your short-term rentals with PriceLabs, a dynamic pricing tool and revenue management software designed for Airbnb, Vrbo, and vacation rental owners.

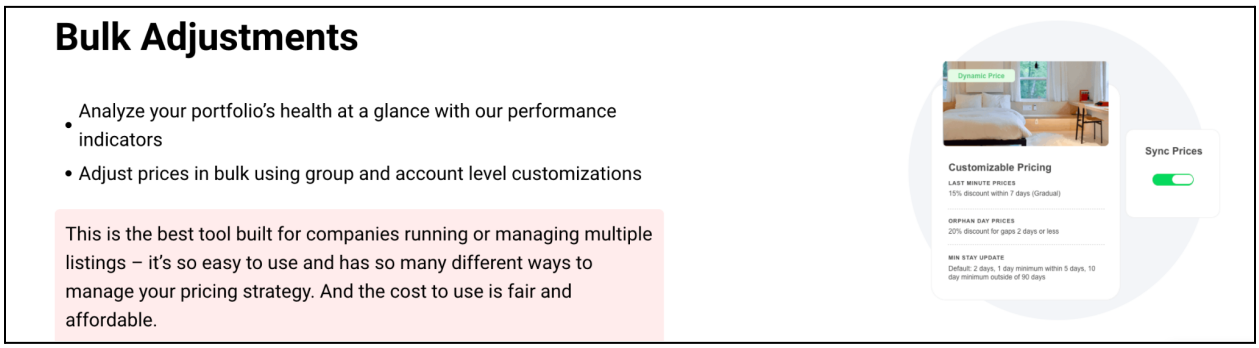

6. **Image SEO** - Image names, Alt Tags can be improved for better image discovery

7. **Internal Linking:** Only ‘Dynamic Pricing’ is linked. We can add links to the other two product pages as well.

Content Changes

1. **<h1> tag content**
   Existing: Increase Revenue And Occupancy With PriceLabs' Dynamic Pricing And Revenue Management Tool
   Proposed: Boost Revenue and Occupancy with PriceLabs' Dynamic Pricing Tool

2. Repetitive Image or may be wrong image,
   Bullet points alignment can be better, and
   Image isn’t clearly visible - we can increase the size

3. <h2> Our algorithm identifies local events and trends so you don't have to
   Proposed: Our algorithm identifies local events and trends for you!

Keywords

Below are the keywords that I would like to include and blend with the HOME page copy 1-2 times, the green ones being the primary ones.

- Primary P1
- Secondary P2

No	Secondary Keywords	Intent	Our Position	Volume	Keyword Difficulty
P2	vacation rental property manager	Commercial	87	390	39
P1	Airbnb rental estimate	Commercial	31	260	37

P1	best vacation rental software	Commercial	96	260	40
P2	vacation rental business plan	Informational Commercial	90	210	90
P2	vacation rentals software	Commercial	99	140	53
P2	short term rental estimate	Commercial	70	140	33
P2	short term rental analytics	Commercial	37	110	42
P2	best rental management companies	Commercial	49	110	46
P1	Revenue management software	Commercial	0	590	50
P1	Revenue cycle management software	Commercial	0	480	40
P1	Hotel revenue management software	Commercial	0	390	40

Task 3: Off-page optimization - Suggest off-page optimization steps and strategy.

1. Link Building
    a. Link exchanges with complementary sites in the travel and vacation niche.
    b. Guest posts on complementary sites to be a part of listicles
    For ex: https://oaky.com/en/blog/revenue-management-tools-for-hotels , https://hoteltechreport.com/revenue-management/revenue-management-systems

2. Social Media Engagement: Invest more in Facebook and Instagram. Distribute content to earn social value.

3. Influencer Marketing: Collaborate with brands and influencers in the travel and leisure niche.

4. User Reviews and Testimonials: Get more reviews on GMB, G2 https://www.g2.com/products/pricelabs/reviews, n more.

5. Content Marketing: Create eBooks, PPTs and upload on publishing sites.

6. Press Releases and Media Coverage: About product updates or funding

---

Points to kept in mind

1. Include source of information as links or images
2. Include which tools were used: **Semrush, Google SERPs**
3. In case of any doubts before, during, or after having worked on the assignment, please reach out to disha.parekh@pricelabs.co
